DETAILED ACTION

Allowable Subject Matter

1. Claims 1-10 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 10, see applicant's response.

Regarding claim 2, the prior art of record is drawn to a sound source coupled to a loudspeaker with a microphone for sensing the sound output by loudspeaker, with a processor for comparing the sound source output with sensed sound from the microphone, an amplifier, and A/D converters. However, the prior art of record fails to disclose a memory, a successive comparison analysis, and a regenerative signal processing part, therein as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
